

2010 TROUPES

We would like to invite you to be a part of our competition performance troupes for 2010. This is a great opportunity and students have enjoyed being a part of this experience for the past 5 years!

It is expected that troupe members do examination classes in the same style as each troupe. For example, they must attend RAD ballet classes to be part of the Classical ballet troupe. Some consideration of experience and levels achieved will be taken into consideration for older students.

We enter 3 local competitions throughout the year in the June/July school holidays and the September school holidays. Dates cannot be advised for these competitions until closer to the date. There are generally no troupe classes in Term 4 unless we still have to perform. Occasionally we are offered the opportunity to perform at other events and performances in addition to competitions. Students will be given as much notification of these dates as possible.

We expect 100% commitment for Troupe classes. We are human and understand other commitments but please understand that you are committing to be part of a team and therefore your time and attendance matter for the whole team. Therefore it is very important both parents and students are aware of this commitment from the start.

As you are representing our school it is understood that you will not be representing another dance school. We offer a wide range of classes and opportunities for our students and therefore it is unnecessary for students to seek opportunities at other local dance schools.

We are offering the following troupes for 2010. Please indicate which troupes you are interested in joining:

✂-----

I hereby agree to represent Suzie Ryrie School of Dance in 2010 performance troupes. I understand I am committing to attend all classes and performances to the best of my ability. I understand I must continue with examination classes to be a part of this troupe and will not represent any other schools during the 2010 period.
